THE BEE

**That Gets the Honey Does
Not Hang Around the Hive**

These hot days that crimp and scorch—wilt one's very soul almost away while standing over some blistering hot kitchen stove all the ding-dong day. What's the use when foods come already cooked? Our steam boiled hams, nice dried beef, chipped as you like or in glasses. Or our home style pork and beans with a chunk of nice juicy pork and tomato sauce, or plain if you like them. It's just the thing for a nice meal. No worry.

STRIKE NOT EXPECTED

HOWEVER OFFICIALS OF THE
PENNSYLVANIA RAILWAY ARE
PREPARING FOR ONE—NEW OR-
LEANS FACES A STRIKE.

(Herald Special.)
Philadelphia, Pa., July 16.—Al-
though the officials of the Pennsylv-
ania railroad express the belief that
the 25,000 conductors and trainmen
will not strike and quit work they are
taking measures to meet any emer-
gency that might arise. The confer-
ence was continued today.

VOTING ON STRIKE.

New Orleans Street Car Employees
May Decide to Quit Work.

(Herald Special.)
New Orleans, La., July 16.—Three
thousand employees of the local street
car company are voting on the strike
question today. The ballot is secret,
but it is believed a majority will
favor a strike. The car company im-
ported a number of strike-breakers
the past week, and violence is feared
if the strike is called.

BAD NEGRO ON RAMPAGE

Killed Three Persons, Fatally Wound-
ed Another, Injured His Wife,
and Then Suicided.

(Herald Special.)
Tampa, Fla., July 16.—Crazed with
cocaine, Will Ellison, a negro, last
night shot and killed his mother-in-
law, Cecilia Bryant; Rev. Jesse Avery
of the First African Methodist church,
Henry Clark, negro organist of the
church, and seriously wounded his
wife, and sister-in-law, Mary Bryant.
While trying to escape he encounter-
ed Mounted Policeman Hayman,
shooting him in the breast, fatally in-
juring him, and then committed sui-
cide.

Ellison's first outbreak was at the
Methodist church. Shouting that he
was preparing to send all sinners to
their reward, he fired and killed Av-
ery and Clark. Then he went to the
home of his mother-in-law, killed the
elder woman and wounded his wife
and sister-in-law. Mounting a horse,
he started away. When he encounter-
ed the officer he fired on him. Later
he was found in an alley dead from
the effects of strychnine and whisky
he had swallowed.

DR. MADRIZ IS SURPRISED

On Learning That United States Gun-
boat Vicksburg Is En Route
to His Country.

(Herald Special.)
Managua, Nicaragua, July 16.—The
officials of the Madriz faction in Ni-
caragua expressed surprise when it be-
came known that the United States
gunboat Vicksburg had been ordered
here from Panama. The gunboat is
now on its way to Corinto to protect
the American interests there, and to
especially exercise its influence over
Madriz in his attitude to William Pitt-
man, under arrest.

R. Kaye, the Presbyterian minister
for whose pardon President Taft was
recently petitioned, will be released

CANNON ON THE STUMP

DECLARES THE TARIFF A GOOD
MEASURE, AND SAYS INSUR-
GENTS ARE PAVING WAY FOR
DEMOCRATIC VICTORY.

(Herald Special.)
Winfield, Kas., July 16.—Speaker
Cannon in an address here today said
the tariff law is a good measure, and
declared that the rules of the house
are not as iniquitous as they have
been painted. He said the rules were
nothing more nor less than a form
of procedure to prevent chaos. The
speaker declared that the insurgents
in congress have only been paving the
way for democratic success. He com-
plained at the press which he says
sets up the cry "take the tariff out of
politics," and declared that the press
was the one that put the question into
politics and keeps it there. He de-
clared that the hardest fight he had
ever had in congress was to prevent
the appeal of the conservation act. He
said he had always found the rules of
the house sufficient, but said congress
had undergone another case of hys-
teria, abounding more in "ignorance
than in knowledge. He found fault
with those members of congress who
were elected as republicans and then
gave their services to the democrats.
Calling attention to Champ Clark's
prediction that the next house would
be democratic, the speaker condemn-
ed the republican insurgents and their
failure to act in harmony with their
party in congress.

HAS LIMITED MEANS

London Police Believe Dr. Crippen
Cannot Get Far Away For Lack
of Ready Funds.

(Herald Special.)
London, July 16.—The police today
expressed the opinion that their ef-
forts to apprehend Dr. Hawley Crip-
pen, charged with murdering his wife,
will be successful. They base their
hopes on the fact that when he dis-
appeared Crippen had only \$350 in
cash and \$25,000 in his wife's jewels.
The police have an accurate descrip-
tion of the jewelry and have advised
the country of it, so that Crippen will
not try to dispose of it. The inquest
has been postponed until Monday.
The newspapers today have issued
appeals to Miss Letevé, the stenogra-
pher, to come forward from her place
of hiding and reveal Crippen's where-
abouts. The papers also make at-
tacks on the police for their failure to
locate the missing man.

THREE COUNTIES REPRESENTED

In Johnson's Audience of 2000 at
Limestone County Picnic.

Prairie Hill, Limestone County,
Texas, July 15.—In response to the in-
terrogations of a Poindexter man in
his audience this morning, Hon. Cone
Johnson with redoubled force directed
searching ridicule and utter con-
demnation upon that candidate's po-
sition, while 2000 and more panting and
perspiring people packed around him.
A host more outside the open air tab-
ernacle scrouged for admission. Every
ear was pricked for the next sizzling
sentence to succeed its scorching
predecessor. Frantic applause and
outbursts of cheers frequently swept
the speaker's remarks into indistin-
ction. The man who provoked the ti-
rade subsided into silence and re-
mained unresponsive under the candi-
date's taunts and his challenge to re-
new the "Hurrah for Poindexter," and
the ensuing demonstration takes pre-
cedence as the most remarkable of
any of the recent events connected
with Mr. Johnson's candidacy.

After his speech, which was deliv-
ered at 10:30 at a picnic here, where
people were gathered from Limestone,
Hill and McLennan counties, Mr.
Johnson was besieged by congratula-
tions. The immense field used as a
picnic grounds was fairly dotted with
buggies, wagons and autos. It was
said that 5000 were in attendance.
